

Our Business :-A unique platform looking to make a dent in workspace rental market by changing the traditional way professionals use & lease their workspace i.e. by generating revenue from otherwise vacant spaces.

To know more, watch <https://youtu.be/6v7Qu4BhVS4> or pls. visit www.profreea.com

Why we exist?

Due to compelling & obvious solution which market needs i.e. a bridge filling prominent “GAP” between irregularities of rental working spaces.

About us

A problem-solving organization having a right mix of tech driven & real estate domain skills. We are goal oriented, follow agile processes & strongly believe in Build-Measure-Learn-Feedback loop.
